

Jonghyun Park

M.S. Candidate, Korea Advanced Institute of Science and Technology (KAIST), Republic of Korea
jhpark99@kaist.ac.kr – whdgus1054@gmail.com – <https://jh-park99.github.io>

EDUCATION

Korea Advanced Institute of Science and Technology (KAIST)

M.S. in Artificial Intelligence

Republic of Korea
02.2025 – 02.2027 (expected)

- Advised by Prof. Jong Chul Ye at BISPL.

Seoul National University (SNU)

B.S. in Naval Architecture and Ocean Engineering & Artificial Intelligence (Double Major)

Republic of Korea
03.2018 – 02.2025

- Cumulative GPA: 3.94/4.30 (Rank 1/38)
- National Scholarship For Science and Engineering for 4 semesters.
- Merit Scholarship (Full tuition for 1 semester, half tuition for 2 semesters), Dean's list.
- Period includes 18 months military service from 07.2020 – 01.2022

Daejeon Science High School

03.2015 – 02.2018

WORK EXPERIENCE

Vector Institute

Research Intern, Applied math

Toronto, Canada
07.2026 – 11.2026

- Advised by Prof. Yaoliang Yu and Prof. Ricardo Baptista.

ActionSquare

Research intern

Seoul, Republic of Korea
06.2024 – 08.2024

Advisor: Prof. Jinwoo Shin (KAIST)

- Investigated noise initialization strategies for image-to-video generation.

SNU Robot Learning Lab

Research intern

Republic of Korea
02.2023 – 08.2023

Advisor: Prof. Songhwai Oh

- Conducted research on reinforcement-learning-based robotic grasping [C1].

RESEARCH INTERESTS

My research focuses on improving the controllability for image and video synthesis, including both generation and editing. I believe that mathematical theories help us understand why these models work and provide better intuition for developing future methods and applications.

SPECIALIZED SKILLS

Programming Languages: Python, C
Deep Learning Frameworks: PyTorch

AWARDS

National Scholarship For Science and Engineering, Korea Student Aid Foundation 4 semesters
• Full tuition for 4 semesters
University Students Contest of Mathematics, Silver Prize, Korean Mathematical Society (KMS) 11.2019
Merit Scholarship, SNU
• Full tuition for 1 semester (Fall 2018)
• 50% tuition for 2 semesters (Spring, Fall 2019), 10% for 1 semester (Spring 2018)
